DETAILED ACTION

Allowable Subject Matter

Claims 1-27 are allowed.

The following is an examiner's statement of reasons for allowance: Regarding independent claims 1 and 16, the closest prior art does not teach or render obvious the claimed method and apparatus for providing a plurality of differing x-ray data from a plurality of known specimens having differing known characteristics, wherein the differing known characteristics correspond to all of the specimens having the same known defect surrounded by differing known background structures, setting up a pattern recognition process to automatically classify the differing known characteristics of the known specimens into a same first class based on the differing x-ray data from the known specimens, providing x-ray data from an unknown specimen having an unknown characteristic of an unknown class, and utilizing the pattern recognition process to automatically classify the unknown characteristic of the unknown specimen as belonging to the first class based on the x-ray data from the unknown specimen.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
